I'm happy to discuss – we can use the DW check-in time or sooner if you'd prefer.

I'd suggest sitting down with the weekly updates between you/Travis & the July update, and building a template for reporting out on progress. That should help clarify if Aug or Sept is better. Other than that, it may be availability (Sept is the NCI meeting in NY).

Thanks,

Peter

We do need to think through this in terms of inviting Ed or Jeff. I don't have a good case to make on present facts if it should be August or September.

Good morning,

I am working on the agenda for August and have tentatively placed a hold for you for the monthly EPA and CTWS leadership meeting for August 12th at 11 a.m. Please let me know if that will work.

Thanks
